Training Samples to Discard

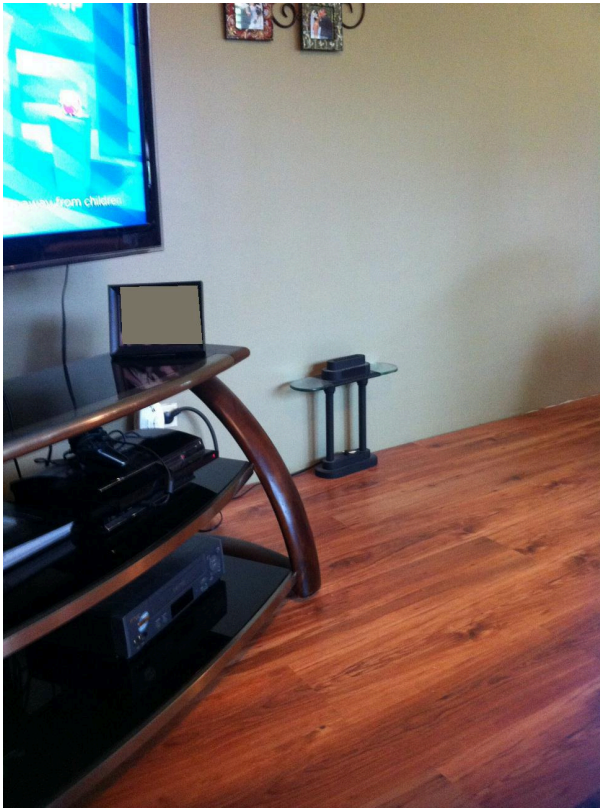

Sample 1: ID #481

Question: How many calories are in a slice of pepperoni and cheese pizza?

Crowd Majority: unanswerable

Reason for discard: The question asks for information (calorie count) that is not visually present in an image and requires external knowledge to answer.

Sample 2: ID #563

Question: Where do you think I could get a power cord?

Crowd Majority: unanswerable

Reason for discard: The question asks for external information (where to buy an item) rather than asking about the visual content of the image itself.

Sample 3: ID #426

Question: I know but how long do I leave it in the oven for? Now how long is the cooking time?

Crowd Majority: unanswerable

Reason for discard: The question is not standalone and requires context from a previous conversation, as indicated by the phrase 'I know but...' and the ambiguous pronoun 'it'.

Sample 4: ID #479

Question: Can you tell me what is on the other side of this box? In the photo I just sent you. Thank you.

Crowd Majority: unanswerable

Reason for discard: The question asks about something that is not visible in the image (the other side of the box), and therefore cannot be answered from the visual content provided.

Sample 5: ID #289

Question: What color is...

Crowd Majority: unanswerable

Reason for discard: The question is incomplete and is a sentence fragment. It does not specify what object it is asking the color of.

Sample 6: ID #598

Question: Where did this come from?

Crowd Majority: unanswerable

Reason for discard: The question is ambiguous. 'This' is an unclear pronoun and 'come from' could have multiple interpretations (e.g., sender, manufacturer, location) that may or may not be answerable from an image.

Sample 7: ID #504

Question: This image does not show who the mail is for. It appears to be taken too close up on one part of the envelope without text.

Crowd Majority: clockwise

Reason for discard: This is a statement or comment about the image, not a question asking for visual information.

Sample 8: ID #507

Question: Should I eat this for me tea?

Crowd Majority: unanswerable

Reason for discard: The question asks for a subjective opinion or advice ('Should I...') rather than an objective description of the visual content. Answering it requires external knowledge and personal context, not just visual analysis.

Image: [View Image](#)

Sample 9: ID #458

Question: Oh so do I leave it in for twelve months then do I?

Crowd Majority: unanswerable

Reason for discard: The question begins with 'Oh so...', which indicates it is a follow-up question that requires context from a previous conversation to be understood. It is not a standalone query.

Validation Samples to Discard

Sample 1: ID #453

Question: Where can I buy this from?

Crowd Majority: unanswerable

Reason for discard: The question requires external knowledge or a web search to answer and cannot be answered by only analyzing the visual content of the image.

Image: [View Image](#)

Sample 2: ID #464

Question: Is this picture better?

Crowd Majority: unanswerable

Reason for discard: The question requires context from a previous conversation or image to understand what 'better' is being compared to, making it not a standalone question.

Image: [View Image](#)

Sample 3: ID #584

Question: Where is it made?

Crowd Majority: unanswerable

Reason for discard: The question uses the ambiguous pronoun 'it' without specifying what object it refers to, making it not a standalone question.

Image: [View Image](#)

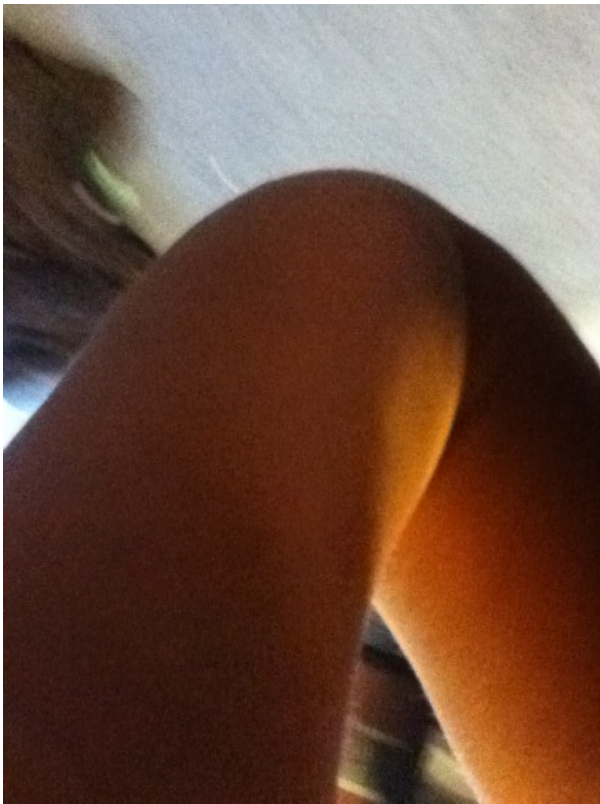

Sample 4: ID #548

Question: Which ocean has the most hurricanes in the world?

Crowd Majority: unanswerable

Reason for discard: This is a general knowledge question that does not ask about the visual content of an image.

Image: [View Image](#)

Sample 5: ID #468

Question: where can i buy these big pens?

Crowd Majority: walmart

Reason for discard: This question cannot be answered by looking at the image. It requires external knowledge of where to purchase items.

Image: [View Image](#)

Sample 6: ID #493

Question: I need some help using this application.

Crowd Majority: unanswerable

Reason for discard: This is a general request for help, not a specific question about the visual content of an image.

Image: [View Image](#)

Sample 7: ID #489

Question: Do you think my wife's decorating is any good or should I kick her out?

Crowd Majority:

Reason for discard: The question asks for a subjective opinion ('is it any good') and personal life advice ('should I kick her out'), not a factual description of the visual content in the image.

Image: [View Image](#)

Sample 8: ID #456

Question: The way this guy was described to me was that when you turn it to the right there's a light that goes on in settings you can go normal and heavy duty then permanent press then towels. So I think

Crowd Majority: unanswerable

Reason for discard: This is an incomplete statement or comment, not a question. It trails off and does not ask for any specific information about the image.
